December 22, 2005

Sir:

The Examiner offers reasons why claims 1, 3-7, 9-11, 13-17, 19-21 and 23-28 of the present application are allowable over the prior art of record. Although Applicants agree that the various claimed limitations mentioned in these claims are not taught or suggested by the prior art taken either singly or

in combination, Applicants wish to emphasize that it is the language of each claim, including the interrelationships and interconnections between various claimed elements which is allowable over the prior art of record, and not necessarily the Examiner's paraphrasing of claim features which may or may not be present in any of the allowed claims.

If necessary, the Commissioner is authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 08-0750 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17; particularly, extension of time fees.

Respectfully submitted,

HARNESS, DICKEY & PIERCE, P.L.C.
